Plan W6938AM: Estate-Sized Home

House plans are Copyright © 2009 by our architects and designers.

- Bordering on estate-sized, this plan borrows elements from Norman, Mediterranean and English architecture with a stone chimney on one side of the recessed entrance, and a huge arched window on the other.
- The vaulted great room joins the nook and island kitchen to form an open gathering space. Across the foyer are a more formal dining room and study with built-ins.
- Bedrooms are all to the back of the plan: two family bedrooms and a vaulted master suite with patio access. Each bedroom has its own bath.
- Notable amenities include fireplaces in the great room and master bedroom, a walk-in pantry, loads of built-ins and store space, and a bonus room with full bath over the garage.
- Ceilings: 10' standard in the non-vaulted areas.
- Foundation: crawl space.
