Plan W39070ST: Beautiful Ceilings

House plans are Copyright © 2009 by our architects and designers.

- Ceilings that slope to 12'6" adorn the foyer, the great room and the master suite in this country style home plan with decks and porches for outdoor living.
- The kitchen opens up to the breakfast nook with sliding glass doors to the porch. Built-in shelves in the library add an elegant look as well as provide storage.
- Located by itself off to one side, the master suite is a quiet oasis. A huge walk-in closet will hold all your clothes.
- Each of the second floor bedrooms has a walk-in closet and one even has its own private bath.
