Plan W66244WE: Intricate Ceiling Details

House plans are Copyright © 2009 by our architects and designers.

- Upon entering this luxury home plan, you will be captivated by the intricate ceilings and attention to detail. A wall of glass at a 90-degree angle is the first thing you see, flanked by an inviting wet bar that leads to the open family, kitchen and dinette areas.
- The master suite is conveniently located on the other side of the house featuring a walk in shower with full garden views.
- Upstairs are two guest suites each with their own baths and even a wet bar.
- One more flight up and you will find the theater room that could easily be converted into a pool/game room.
