Plan W88128SH: Just The Right Rustic Mix

House plans are Copyright © 2009 by our architects and designers.

- This three-bedroom cottage has just the right rustic mix of vertical wood siding and stone accents. Inside, the living is pure resort-style comfort.
- High vaulted ceilings are featured throughout the living room and master bedroom.
- The living room has a fireplace and full-height windows overlooking the deck and the dining room includes double-door access to the deck.
- The master bedroom has a single door that opens to the deck. Two family bedrooms share a bath situated between them.
