Plan W21626DR: Light-Filled Home

House plans are Copyright © 2009 by our architects and designers.

- With a large expanse of windows across the back of this delightful farmhouse plan, your home will always feel bright.
- A corner fireplace is the focal point for the open living area comprised of the kitchen with an island, the dining area and the living room. French doors lead out to the covered porch.
- Two bedrooms, a bath, laundry room and guest powder room are also on this level.
- The master suite on the second floor enjoys its own 11'6" vaulted sitting room which could also serve as a family room, complete with fireplace.
