Plan W77004LD: Space, Comfort and Elegance

House plans are Copyright © 2009 by our architects and designers.

- Covered porches and decks wrap almost entirely around this brick-faced country ranch, while the spacious interior offers both comfort and elegance.
- Natural light is creatively provided by skylights and solar tubes. In the open kitchen, note the walk-in pantry and the angled island with cooktop and raised eating bar.
- Each of the two rear bedrooms has a private covered deck and a walk-in clothes closet.
- On the opposite side of the home, you find the master suite and the adjacent living room. With the optional spa, this room can become a sunroom.
- The master suite features an oversized walk-in closet and a luxurious bath.
- Ceilings: 10' standard; 16' vaulted.
- Foundation: crawl space.
