

Plan W5925ND: Functional Beauty

House plans are Copyright © 2009 by our architects and designers.

- Inside this functional yet beautiful home plan, columns frame the dining room entry on one side of the foyer. On the other side, French doors can be added to turn bedroom three into a study.
- The great room accommodates guests with ease, especially when the rear covered porch is utilized. Atrium doors access the porch from both the great room and the master bedroom.
- An eating bar separates the kitchen from the bayed breakfast room.
- The master suite boasts a sumptuous bath and a large walk-in closet.
- Upstairs, bonus space can be turned into a game room for all ages. An optional full bath can be constructed on this floor.
- Ceilings: 9' main floor; 8' second floor.
