Plan W5731HA: Functional Layout

House plans are Copyright © 2009 by our architects and designers.

- Kitchen/dining room features island work space and plenty of dining area. A door leads to the rear patio.
- A fireplace in the family room is a nice touch.
- Master bedroom features a large walk-in closet and a private bath. Large closets are found in the other bedrooms.
- The laundry room is next to the kitchen for easy access.
- A convenient workshop in the garage is great for projects or added storage.
- Foundation: basement. Drawings also include crawl space and slab foundations.
- Energy-Efficient Option: This house plan is also available with energy efficient R-Control SIP (Structural Insulated Panel) Systems.
