Plan W88186SH: Perfect For the Family

House plans are Copyright © 2009 by our architects and designers.

- This three-bedroom leisure home is perfect for the family that spends casual time out of doors.
- An expansive wall of glass gives a spectacular view to the great room and accentuates the high vaulted ceilings throughout the design.
- The great room is also warmed by a hearth and is open to the dining room and L-shaped kitchen. A triangular snack bar graces the kitchen and provides space for casual meals.
- Bedrooms are split, with the master bedroom on the right side of the plan and family bedrooms on the left.
- Ceilings: 8'.
- Foundation: basement or crawl space. Please specify your preference when ordering.
