Plan W66008WE: Tuscan-Style Mansion

House plans are Copyright © 2009 by our architects and designers.

- This Tuscan-style house plan creates tremendous curiosity and curbside appeal with its secretly hidden motor court and six-car garage and massive entry system embellished with stone and rod iron.
- This luxury home plan is appointed with the finest of details from its massive rooms with spectacular ceiling designs to its built-in bookshelves, archways, niches and entertainment systems.
- The formal living and dining rooms include nice touches like the beautifully appointed walk-in wet bar and see-through wine humidor.
- The master suite has a built-in fireplace and archway, and a large circular sitting area with view of the pool. This suite also has large walk-in closets and bath featuring garden tub, walk-in shower and separate vanities.
- The family room with corner pocket sliding glass doors, dinette, and gourmet kitchen are perfect for gatherings.
- The lanai features a pool with an array of water features and hosts a large bar and grill.
- Take either the elevator or the circular stair to the second floor where you will find a fully automated theater room, 5 bedrooms 5.5 bathrooms and a game room with a wet-bar overlooking the family room.
