Plan W58477SV: Elevated Beach Escape

House plans are Copyright © 2009 by our architects and designers.

- This is a very efficient beach escape house plan. Elevated for construction where water and wind are issues, this plan is perfect for beach construction.
- The living room is vaulted and has a fireplace flanked by windows. The vault extends to the dining room.
- A pass-through kitchen has seating for three across the counter.
- Two bedrooms, both vaulted, have rear deck access.
- Take in views from three sides with an expanded deck off the dining room.
