Plan W21165DR: Florida Design With Open Living Area

House plans are Copyright © 2009 by our architects and designers.

- This Florida-style house plan offers an open living area with a fireplace, an angled snack bar and access to the covered rear porch from the casual eating area.
- The formal dining room lies across the hall from the kitchen.
- Featured in the isolated master suite are a bayed sitting area, a garden tub, a separate shower and a walk-in closet. On the other side of the house, the other bedrooms each directly access the second full bath.
- The third garage bay could house a golf cart.
