Plan W63068HD: Luxury and Convenience

House plans are Copyright © 2009 by our architects and designers.

- Luxury and convenience blend seamlessly in this eye-catching house plan. Large arched windows draw natural light deep into the home plan, but overhangs keep the interior cool and inviting.
- The formal living room has access to the covered rear patio to accommodate large-scale gatherings.
- The casual family living area has its own door to the patio.
- Across the home plan, the master suite occupies a secluded wing featuring a spacious sitting room with backyard views and access.
- Related Plans: For alternate exteriors, see house plans 6310HD, 6353HD, 6419HD.
