Plan W5906ND: Spacious Design With Mother-in-Law Suite

House plans are Copyright © 2009 by our architects and designers.

- With its isolated mother-in-law suite, marvelous master suite, two family bedrooms and abundance of bathrooms, this traditional French design easily accommodates a three-generation family.
- The gallery unites the columned dining room and the fireplaced great room. The kitchen contains a built-in desk, and is open to the breakfast room.
- The large mother-in-law suite includes a handy kitchenette. On the other side of house, the master suite features a sitting area, his and her walk-in closets and a bath with every luxury.
- The master suite, mother-in-law suite and great room all access a covered grilling porch in back.
- Upstairs, an office or game room with great closet space has its own bath.
- Ceilings: 10' standard; 14' in foyer and dining room; 11' boxed in bedroom four.
- Related Plan: Replace bedroom 4 with a sunroom with house plan 5930ND.
