Plan W2170DR: Four-Season Vacation Home

House plans are Copyright © 2009 by our architects and designers.

- Extensive decking on the main level of this four-season retreat provides an attractive outdoor venue.
- The family room with a fireplace rises for two stories and can be viewed from the hallway above. The deck is accessed from both the family room and the dining room.
- In the kitchen, a food-preparation island adds utility. Completing the main level are a half bath and a bedroom.
- Upstairs, the master bedroom and the other bedroom on this floor share a bath. Note the private balcony off the master bedroom.
- Ceilings: 8' standard.
- Foundation: unfinished daylight basement.
