Plan W7078H: Contemporary Offers Visual Surprises

House plans are Copyright © 2009 by our architects and designers.

- The exterior of this two-story, four-bedroom home is boldly accented with a dramatic roof cavity. The inside features wall angles that enhance the efficiency of the floor plan and provide visual variety.
- The double entry door opens into a bright reception area, leading to the sloped-ceilinged living room.
- The kitchen provides efficient service to both the formal dining room and the dinette. The first floor also provides a large laundry room that can be converted to a hobby room.
- Upstairs, the luxurious master suite has its own dressing area, walk-in closet, outdoor deck, and whirlpool tub. Three additional bedrooms complete this home.
- Foundation: basement, slab.
