

Plan W5723HA: Classic Ranch With Expansive Porch

House plans are Copyright © 2009 by our architects and designers.

- With a wide porch in front and a deck in back, the living area of this classic ranch home plan is greatly expanded to the outdoors.
- Further appeal is created by a split bedroom arrangement. Vaulted ceilings in both the master bedroom and the living room increase the sense of space.
- An eating peninsula separates the kitchen from the dining area which is all inclusive in one large open living area.
- Two bedrooms share a bath on the other side of the house from the master bedroom.
- Ceilings: 8' standard.
- Foundation: basement. Plans also included for crawl space.
- Energy-Efficient Option: This house plan is also available with energy efficient R-Control SIP (Structural Insulated Panel) Systems.
