Plan W11093G: Expandable Home for the Growing Family

House plans are Copyright © 2009 by our architects and designers.

- An efficient kitchen adjoins the dining room that has sliders to the patio.
- The extra-large living room gives a wide-open feeling to all who enter.
- Two bedrooms and a full bath complete the first floor.
- On the second floor, you'll find the spacious master suite with a room-sized walk-in closet and master bath. The other bedroom and full bath can be used to accommodate visiting guests.
- This house plan is available with a slab, crawl or basement foundation option. Please specify when ordering.
