Plan W24046BG: Florida Cracker Style

House plans are Copyright © 2009 by our architects and designers.

- With a porch that wraps around the entire house plan, an eye-catching cupola and a metal roof, this cracker style home plan provides wonderful curb appeal.
- Double doors usher you into the foyer with views that extend through the extra large great room out to the porch beyond. The cupola above sheds light into the great room.
- The kitchen with its walk-in pantry and snack bar is open to the dining room and covered porch.
- The master suite is secluded on one side of the house plan for privacy. Double doors allow access to the porch and the master bath offers double sinks and a large walk-in shower as well as whirlpool tub.
- Ceilings: 10' flat standard; 23'3" Great Room; 29'2" cupola.
- Foundation: crawl space.
