Plan W2867J: Vaulted Foyer Greeting

House plans are Copyright © 2009 by our architects and designers.

- This is an economical, traditional home plan designed to fit today's smaller lots.
- The vaulted foyer offers a feeling of spacious upon entering the home.
- The staircase is open to the living room.
- The master suite features a large walk-in closet with adjacent master bath.
- A shower could be substituted in place of part of the linen closet.
- This home is available with two different elevations, please varify when ordering.
- This residence features 2 x 6 construction and totals 1737 square feet and is available with crawl space and basement foundations.
- The home measures 54 feet 6 inches wide and 33 feet deep.
