Plan W7615MC: Marvelous Master Suite

House plans are Copyright © 2009 by our architects and designers.

- Arches, steep hipped roof lines and a courtyard-style garage draw attention to this French country home.
- Privately situated, the master suite sports a sunny sitting area in one corner and a ceiling reveal in the bedroom. The master bath includes a walk-in closet, corner garden tub, separate shower and his and her vanities.
- The living area comprises both formal and informal spaces. A wrap-around porch is ideal for outdoor dining.
- Bedrooms two and three share the second full bath, while the third full bath is next to bedroom four on the side of the house.
