Plan W6376HD: A Key West Cutie

House plans are Copyright © 2009 by our architects and designers.

- Built on stilts, this efficient Key West vacation design offers spectacular views from a full-width deck in back.
- The living room, master bedroom, breakfast room and guest room all open to decks, and vaulted ceilings throughout add volume and a sense of spaciousness. Both bedrooms have walk-in closets.
- A corner fireplace in the living room provides warmth on chilly evenings. Windows on each side let in natural light and afford great views.
