Plan W85013MS: Prairie Retreat Perfect for Sloping Lot

House plans are Copyright © 2009 by our architects and designers.

- Here you will find a strikingly good looking Prairie Design with a great floor plan for a downhill sloped lot.
- The main floor is a popular arrangement with large open family room off the island kitchen.
- There is a formal dining room and a flexible den/parlor space near the front entry.
- Downstairs are two good sized bedrooms and a very generous rec room.
