Plan W6408HD: Open Interior

House plans are Copyright © 2009 by our architects and designers.

- With half walls along the margins of the living and dining rooms and a 12' ceiling in the foyer, open interior space characterizes this contemporary design.
- A span of glass borders the covered patio in back, and the living room, family room and master bedroom access the patio. The bayed breakfast nook overlooks the patio.
- A pantry closet, peninsula snack bar and a built-in desk are featured in the kitchen.
- In the master suite, you find his and her walk-in closets, a step-up spa tub and separate shower.
- Two bedrooms on the opposite side of the house share the other full bath. The den can be used as another bedroom if desired.
- Foundation: slab.
