Plan W11542KN: Vacation Getaway

House plans are Copyright © 2009 by our architects and designers.

- This cozy cottage makes the perfect getaway retreat with its rustic exterior and open floor plan.
- A corner fireplace warms the large living room with French door access to the covered porch beyond.
- An eating island adds to the efficiency of the kitchen with the large laundry room nearby.
- Vaulted ceilings enhance the master suite with its own private bath and walk-in closet.
- Two additional bedrooms and a hall bath provide room for family or guests.
