Plan W24006BG: Mediterranean Design

House plans are Copyright © 2009 by our architects and designers.

- Part of the Premium Collection, this gorgeous Florida-Mediterranean design is filled with imaginative and luxurious touches.
- A charming courtyard leads guests to the entry porch and the foyer. From here, they see the formal dining room, the parlor and the study, all with distinctive ceiling treatments.
- To one side, the master suite has it all: his and her walk-in closets and vanities and a magnificent spa tub introduced by columns.
- The kitchen is convenient to the formal dining room, informal dinette and gathering room.
- There are two guest suites, one off the gathering room and the other on the second floor.
