Plan W11526KN: Two Bedroom Rustic Retreat

House plans are Copyright © 2009 by our architects and designers.

- This two-bedroom rustic retreat has a full-length porch to help you enjoy the great outdoors. Inside, an efficient floor plan makes the most out of the 1,122 sq. ft.
- The living room and dining room space is vaulted and a fireplace helps add charm to the area and define room functions.
- A bumpout in the kitchen makes room for seating and a pantry is a nice touch.
- The master bedroom has laundry facilities steps away.
- Upstairs you'll find a vaulted bedroom with a vaulted seating area in the dormer. A bath and linear closet plus a built-in bench seat at the top of the stairs complete the floor.
