Plan W9137GU: Low Country Showcase Home

House plans are Copyright © 2009 by our architects and designers.

- You'll find 9' ceilings throughout the main floor of this low country showcase home plan.
- An inviting exterior showcases upper and lower front porches.
- Upon entering, guests are ushered past the elegant formal dining room into the breathtaking two-story great room infused with light and space through striking arch-top windows.
- A distinguished first floor master suite comes with all the amenities you need.
- The second floor boasts three bedroom suites.
- Enjoy convenient elevator access to all floors.
- A 3-bay side-entry garage comes with abundant storage.
- Related Plan: Gain a second floor media room with house plan 9136GU.
