Plan W59008ND: Porch Wrapping

House plans are Copyright © 2009 by our architects and designers.

- An impressive eight-foot covered porch nearly encircles this log home plan.
- The Great room with fireplace is open to the loft and three skylights above.
- In the dining room, you can see the stone patio through the bay window.
- The kitchen with eat-at bar opens to the dining room. On the right you have the spacious master suite and bath with double vanities, and corner whirlpool bath. On the left there is a walk-in pantry and large laundry room with access to the Rear screened porch.
- Foundation: Basement, crawl space, daylight basement. Please specify your preference when ordering.
