Plan W5735HA: Massive Ranch with Classy Features

House plans are Copyright © 2009 by our architects and designers.

- The large foyer opens to the large family room with a massive stone fireplace and open stairs to the basement.
- Wood beams and a sloped ceiling enhance the generously sized family room which also has a wet bar.
- Note the pantry closet and central island in the kitchen.
- In the private master suite, a raised tub lies under a bay window, and the walk-in closet contains lots of space for clothing.
- Three more bedrooms share the other full bath.
- Ceilings: 8' standard.
- Foundation: basement.
