Plan W88324SH: Eye-Pleasing Garage Plan

House plans are Copyright © 2009 by our architects and designers.

- Inside and out, this combination RV and car garage pleases the eye.
- The exterior features wood shingles, vertical siding and a decorative border, all under a L-shaped gable roof.
- Inside, 984-square-feet allows for plenty of storage.
- A side-entry door provides access to the interior without open the larger vehicle doors.
