

## Plan W51080MM: Craftsman House Plan with Options

House plans are Copyright © 2009 by our architects and designers.

- A foyer, formal dining room, fourth bedroom, and half bath are all extras that you would expect to find in a much larger home. The great room includes vaulted ceilings, built-in cabinets and a gas log fireplace. The kitchen is well-equipped and is located within close proximity to the breakfast area, dining room, and garage entrance.
- The master suite includes a trayed ceiling, dual lavatories, compartmented toilet, whirlpool tub, separate shower, and his and hers closets. Three other bedrooms also feature individual walk-in closets and share a bath with separate tub and toilet room.
- The front and rear porches provide perfect outdoor living space. The bonus room is also a great place for a playroom / gameroom and even has space for a future bath.
- The many available features and flexibility of this home make it the perfect choice for you and your family.
