

Plan W59218ND: Courtyard Entry Garage

House plans are Copyright © 2009 by our architects and designers.

- Upon entering the foyer of this traditional home plan, you'll notice the magnificent boxed columns surrounding the dining room.
- Ten foot ceilings enhance the foyer, dining and great rooms, giving this split bedroom plan a very open effect.
- Entertaining becomes simple for the grill master on the grilling porch accessible to the great room.
- As night falls, retreat to your master bath by relaxing in your whirlpool tub.
- The courtyard entry garage enhances the street appeal of this beautiful French country home plan.
- Related Plans: For a craftsman version of this house plan, see 59740ND. Interested in another traditional version? See house plan 59217ND.
