Plan W66055WE: Olde Florida Style

House plans are Copyright © 2009 by our architects and designers.

- Perfect symmetry defines this Olde-Florida style home plan with three Bedrooms, three baths, great room with cupola above and two-car garage.
- An open airy feeling prevails in the home plan leading to the back lanai and veranda.
- Relax the evening away sitting on your front porch.
- An optional third bath and walk-in pantry complete this package.
